

Oomph Salon Reopening Plan

On May 28th Johnson County announced the start of Phase 3 of the Kansas reopening plan. The County also established ALL restrictions are lifted on businesses and leaving reopening guidelines to the discretion of the business owner.

The safety of the staff and our customers remains a priority.

Our Continued Dedication to Sanitation

- Our staff has always adhered to high standards in health sanitation.
- Committed to having the salon fogged to disinfect and fogged with an antimicrobial treatment every 2 months
- Continued control of capacity within the salon
- Employee dedicated to constant cleaning and disinfecting through the day
- Payment options to reduce hand contact
- Sneeze guards at the desk
- No magazines
- Hand sanitizer readily available
- 7 1/2 plus feet between working stations
